AUSTRALASIAN CLASSIC YEARLING SALE

Karaka

Monday 15th February

NEW ZEALAND PREMIER YEARLING SALE

Christchurch

Tuesday, Wednesday & Thursday
16th, 17th & 18th February

AUSTRALASIAN CLASSIC YEARLING SALE

You can download here an entry form for the Australasian Classic Yearling Sale. Please note, entries need to be back to us by:

MONDAY 3rd AUGUST 2009

The format from here is that during July and August, we will view all the nominees before selection. A suitable time will be arranged with you and horses will have to be tied up or stabled for inspection.

During the first week of September, selections will be made and any unsuccessful nominations advised. No entry fee cheques will be banked until a nomination is accepted. A review process is available for any non selected horses.

It is imperative that all yearlings are registered with HRNZ prior to the cut off for the catalogue information which is the first week of November. Catalogues will then be available mid December.

A couple of points to note:-

1. In 2009 the sales website received over 20,000 yearling sales visitors and an average of 2,500 on each of the four live broadcast sale days. To view the wide range of options available for all vendors to be a part of the web promotion go to www.saleofthestars.com/frontpage. While the catalogue is still number one, as time goes on purchasers are expecting pictures, consider your own experiences on the web, do your expect to see a picture?
2. Last sales also saw the introduction of Clause 18 on the nomination form in relation to the notification of drugs and medication and also the Auctioneers option to blood and/or urine test lots prior to the sale. A similar clause has existed for eight years in our "Ready To Run" sales. Anything that maintains purchaser confidence in the product we are all putting forward is worthwhile.

We will be canvassing vendors throughout the country during July and August, so if you have any queries or would like us to call and see you, contact us at the office on (03) 372 0967 or email rdeegan@pggwrightson.co.nz
