NC = No Change
 N/A = Not Available

Commentary,
 The market in Napier this morning eased slightly again today. It is becoming more apparent there is pressure building across the board, with slower orders and shipping delays causing a number of issues. Finer wool types are really being affected by the lack of business coming in and are still under the average price of the stronger wools on offer. Interestingly enough the best performer of the sale today was good style oddments, which continue to see strong demand.

Kind regards,
Steve Fussell
 NI Auctioneer.

The next North Island sale is: **14/10/2021**
