Commentary,

A very solid sale has concluded in Napier this morning. All buyers were chasing hard the very good styled white wools on offer, as these are going to be hard to find in the not too distant future. The early offering of some hogget wool was well received and lifted in value to be in line with the good styled fleece wools.

The PGG Wrightson wool catalogue went live online today through the Bidr platform, and will be available to view live for both the North and South Island sales from now on.

Kind regards,
Steve Fussell
 NI Auctioneer.

The next North Island sale is: **19/08/2021**
