27-29 Micron		n/a
30-31.5 Micron		n/a
31.5+ Micron		n/a

Commentary

There was strong demand for the last of the weighted offerings of fine wool for the season which saw the market ratchet upwards compared to the previous South Island sale two weeks ago.

A limited offering of mid-micron wool was also caught up with the upswing in the sub 29 micron market and finished in a positive space.

The crossbred market saw prices remain largely unchanged.
