Incorporating Disclosure of Compliance with the NZX Corporate Governance Code

Date of Last Approval: 22 September 2021

### Introduction

The Board of PGG Wrightson Limited is committed to acting with integrity and expects high standards of behaviour and accountability from all of PGG Wrightson's officers and staff. As part of this commitment, the Board has adopted this Corporate Governance Code which incorporates the Board Charter in section 2 below.

PGG Wrightson complies with the Recommendations in the NZX 2020 Corporate Governance Code (NZX Code) except where specifically disclosed. This is current as at 30 June 2021 and has been approved by PGG Wrightson's Board of Directors.

The Board's primary objective is the creation of shareholder value through following appropriate strategies and ensuring effective and innovative use of PGG Wrightson's resources in providing customer satisfaction. PGG Wrightson will be a good employer and a responsible corporate citizen.

### PRINCIPLE 1 - Code of Ethical Behaviour

"Directors should set high standards of ethical behaviour, model this behaviour and hold management accountable for these standards being followed throughout the organisation."

# 1.1 PGG Wrightson Code of Conduct

Directors recognise that it is their role to set high standards of ethical behaviour, model this behaviour and hold management accountable for observing, fostering and delivering high ethical standards throughout the PGG Wrightson Group. Directors and employees are expected to act honestly and in the best interests of PGG Wrightson, as required by law, and taking account of interests of shareholders and other stakeholders.

In compliance with NZX Code Recommendation 1.1, the Board has several documents that codify minimum standards of ethical behaviour, being the Code of Conduct which is available at www.pggwrightson.co.nz under Our Company > Governance, Conflict of Interest Policy, Fraud Prevention Policy and Whistle-Blower Policy, and the Board Charter outlined in section 2 below.

The Code of Conduct requires all members of the PGG Wrightson Group, including directors and employees, to observe the highest of standards of ethics and conduct, in alignment with these PGG Wrightson Group Values:

- Be accountable to our customers and each other.

- Learn from mistakes and celebrate successes.

#### Teamwork:

- Work together to create solutions.
- Think and act as 'One-PGW.

The Code of Conduct is intended to guide directors and employees in carrying out their duties and responsibilities. It supports decision-making that is consistent with PGG Wrightson's values and obligations, rather than prescribing a complete list of acceptable and un-acceptable behaviour. It reflects expectations that directors and employees of the PGG Wrightson Group will:

- Comply with standards including all applicable laws, regulations, codes, policies and procedures and lawful and reasonable directions;
- Behave in a professional manner in a way that upholds the PGG Wrightson Group Values and maintains public confidence in our professionalism, honesty and integrity;
- Use PGG Wrightson resources, assets, time, funds and information only for their authorised/intended purpose;

- Ensure their own and others' health, safety and wellbeing in the workplace, and protect the environment;
- Avoid and/or disclose any Conflicts of Interest (real or apparent). The PGG Wrightson Group has a detailed Conflicts of Interest Policy which contains good practice guidelines surrounding the identification, disclosure and management of staff conflicts of interest;
- Follow company policy on receiving and giving gifts and gratuities;
- Protect PGG Wrightson Group Assets and comply with our Group Fraud Prevention Policy;
- Give proper attention to all matters and create an open communication environment that results in all material items being brought to the attention of directors and the appropriate management; and
- Protect the confidentiality of and intellectual property rights in all non-public information about our customers, suppliers, PGG Wrightson personnel and business.

The Code of Conduct, and where to find it, is communicated to all staff and is included in regular staff training and inductions.

The Code of Conduct provides mechanisms to report breaches of the Code including unethical behaviour and specifies the disciplinary procedures in place for any breaches. It is the responsibility of the Board to review the Code of Conduct, to implement the Code and to monitor compliance. If there has been a material breach of the Code of Conduct, the Board will be notified by the Chief Executive. No instances of material breaches have been reported.

PGG Wrightson has a Whistle-Blower policy that allows any reports of serious wrongdoing including material breaches of the Code of Conduct to be made on a protected disclosure

basis, which contains a process for direct access to an independent director, to help encourage a culture of promoting ethical behaviour and being able to speak up.

PGG Wrightson Limited maintains a Directors and Officers Interests Register which is regularly updated, documenting interests disclosed by all Board members and senior management. The statutory disclosures section in the 2021 Annual Report is compiled from entries in the Directors' Interests Register during the reporting period. Directors may not participate in Board discussions nor vote on matters in which they have a personal interest.

### 1.2 Securities Trading Policy

In compliance with NZX Code Recommendation 1.2, the Company has a detailed financial product trading policy applying to all Directors and staff which incorporates insider trading restraints, and rules. The Securities Trading Policy, which is available at www.pggwrightson.co.nz under Our Company > Governance, specifies that no director or employee may buy or sell PGG Wrightson shares while in possession of inside information. Inside information is material information that is not generally available to the market. The policy also states that Directors and staff in possession of inside information cannot directly or indirectly advise or encourage any person to deal in PGG Wrightson shares. Compliance with the Securities Trading Policy is monitored through the consent process, by education and by notification by PGG Wrightson's share registrar Computershare when any Director or Officer engages in trading activities. Trading in PGG Wrightson shares by Directors and Officers is disclosed to the NZX.

# PRINCIPLE 2 - Board Composition & Performance incorporating PGG Wrightson's Board Charter

"To ensure an effective board, there should be a balance of independence, skills, knowledge, experience and perspectives."

- 2.1 This section 2 outlines the Board's Charter which is in compliance with NZX Code Recommendation 2.1. The Board is committed to the principle that there should be a balance of independence, skills, knowledge and experience among Directors so that the Board works effectively. Directors are, except where permitted by law, required to act in the best interests of PGG Wrightson Limited and to give proper attention to the matters before them. The Board is satisfied that the Directors commit the time needed to be fully effective in the role. Directors are entitled to seek independent professional advice to assist them in meeting their responsibilities. The Board is responsible for:
  - overall governance;
  - employing the Chief Executive Officer;
  - providing strategic leadership and overseeing the development, adoption and communication of a clear strategy for the business;
  - overseeing management's implementation of PGG Wrightson's strategic objectives and performance;
  - overseeing accounting and reporting systems (including the external audit) and PGG
     Wrightson's compliance with its continuous disclosure obligations;
  - adopting and reviewing a risk management framework;
  - approval of PGG Wrightson's operating budgets/major capital expenditure; and
  - adoption of PGG Wrightson's remuneration policy and other corporate governance documents.

There is a clear understanding of the division of responsibilities between, and the respective roles of, the Board and management. To ensure efficiency, the Board has delegated to the Chief Executive Officer and subsidiary company boards the day-to-day management and leadership of the PGG Wrightson Group operations. The Company has a formal delegated authority framework and policy that sets out matters reserved for the Board and sub-delegates certain authorities to the Chief Executive Officer and Managers within defined limits.

- 2.2 In compliance with NZX Code Recommendation 2.2 that every issuer should have a procedure for the nomination and appointment of directors to the Board, this is done as circumstances require. PGG Wrightson Limited has a formal and transparent method for the nomination and appointment of directors to the Board nominations are publicly called for by notice on the NZX and considered at the Annual Meeting. Checks will be done and key information about a candidate provided to shareholders in the Notice of Annual Meeting, including any material adverse information disclosed in the checks where a candidate is standing for the first time or the term of office if seeking re-election. Directors may be appointed by the Board between Annual Meetings as permitted by the Constitution but are required to seek re-election at the next Annual Meeting. The Constitution contains no provisions for compulsory retirement or a fixed tenure for Directors, although Directors must periodically retire and seek re-election in accordance with the Constitution and NZX Listing Rules.
- 2.3 In compliance with NZX Code Recommendation 2.3 that an issuer should enter into written agreements with each newly appointed Director establishing the terms of their appointment, the Board has a template Director Letter of Appointment available for use which sets out the written expectations of Directors and which is used for all new Directors.
- 2.4 In compliance with NZX Code Recommendation 2.4, information about each Director is disclosed in the Annual Report, including a profile of experience, length of service, independence, ownership interests and attendance at Board meetings. As at 30 June 2021 the Board had five Directors. Their experience, qualifications and the value that they contribute to the Board are listed in the Board of Directors biographies set out in the Annual Report and on this website. The full Board met six times during the year ended 30 June 2021, including conference calls and video-meetings. Directors also meet on other occasions for strategic planning and held conference calls from time to time as required. PGW recognises that a diverse and inclusive workplace culture will result in enhanced relationships with all stakeholders, better customer service and improved financial performance. The Board has evaluated PGG Wrightson's performance against its Diversity and Inclusion Policy objectives which relate to the working environment, employment and selection opportunities, Board appointment recommendations, equal and fair treatment under employment policies and a culture of diversity and inclusion, and considers that these objectives have been met.

The table above lists the numerical quantitative breakdown of the gender composition of PGG Wrightson's Board of Directors and its Officers as at 30 June 2021 and comparative figures for 30 June 2020. An Officer means a person, however designated, who is concerned or takes part in the management of PGG Wrightson Limited's business, but excludes a person who does not report directly to the Board or who does not report directly to a person who reports to the Board.

- 2.6 In compliance with NZX Code Recommendation 2.6, Directors are expected to undertake appropriate training to remain current on how best to perform their duties as a Director of a listed company. Directors are regularly updated on relevant industry and company issues, undertake visits to PGG Wrightson and customer branches and operations, and receive briefings from Executive Managers from all Business Units. Directors are able to attend PGG Wrightson Business Unit conference sessions to further their training.
- 2.7 In compliance with NZX Code Recommendation 2.7, the Board has a process to regularly assess the performance of each Director, the Board as a whole, and Board Committees.
- 2.8 In compliance with NZX Code Recommendation 2.8, a majority of the Board are Independent Directors, with three out of five Directors being independent. In accordance with NZX requirements, no less than one third of the total number of Directors are required to be Independent Directors. The Board meets this requirement. The Board defines an Independent Director as one who:
  - is not an executive of the Company; and
  - has no disqualifying relationship within the meaning of the NZX Listing Rules.

The statutory disclosures section in the 2021 Annual Report lists the Company's Directors' independence status. The Board reviews any determination that it makes on a Director's independence on becoming aware of any information that indicates that a Director may have a relevant material relationship. Directors are required to immediately advise of any new or changed relationships so the Board can consider and determine its materiality. Directors' interests including other relevant directorships that they hold are listed on pages

- 101 to 102 of the 2021 Annual Report. None of the Directors sit on any PGG Wrightson Group companies apart from the parent PGG Wrightson Limited.
- 2.9 In compliance with NZX Code Recommendation 2.9, the Chairman Rodger Finlay is an Independent Director.

# **Principle 3 - Board Committees**

"The board should use committees where this will enhance its effectiveness in key areas, while still retaining board responsibility."

The Board has delegated some of its powers to Board Committees where it will enhance its effectiveness in key areas while still retaining Board responsibility. As at 30 June 2021 the Board had two standing Committees – the Audit Committee, the Remuneration and Appointments Committee.

The Committees are made up of a minimum of three non-Executive Director members and each Committee has a written Board-approved charter which outlines that Committee's role, rights, responsibilities, membership requirements and relationship with the Board. In compliance with NZX Code Recommendation 2.7, the Board has a process to formally review the performance of each Committee from time to time in accordance with the relevant Committee's written charter. Proceedings of Committees are reported back to the full Board to allow other Directors to question Committee members.

### 3.1 Audit Committee

In compliance with NZX Code Recommendation 3.1, as explained below, the Audit Committee operates under a written charter, membership is majority independent and comprises solely of non-Executive Directors, and the Chairperson of the Audit Committee Sarah Brown is an Independent Director and is not also the Chair of the Board.

The Audit Committee Charter is available on PGG Wrightson's website at www.pggwrightson.co.nz under Our Company > Governance.

The members of the Audit Committee are currently Sarah Brown (Chairperson), Rodger Finlay and Joo Hai Lee. The majority of the members of the Audit Committee are Independent Directors. No member of the Audit Committee is an Executive Director. The Audit Committee has appropriate financial expertise, with two current members having an accounting or financial background and the other member has a good understanding of financial/accounting principles as per 3.4 of the Audit Committee Charter. The Audit Committee met four times during the financial year.

The main responsibilities of the Audit Committee are:

- Ensuring effectiveness of the accounting and internal control systems;
- Ensuring the Board is properly and regularly informed and updated on corporate financial matters:
- Monitoring and reviewing the independent and internal auditing practices;
- Recommending the appointment and removal of the external auditor and considering a change in the lead audit partner where the auditors continue in office for a period exceeding five years;
- Ensuring the ability and independence of the auditors to carry out their statutory audit role is not impaired or could reasonably be perceived to be impaired;
- To interface with management, internal auditors and external auditors and review the financial reports, as well as advising all Directors whether they comply with appropriate laws and regulations;

- Overseeing matters relating to the values, ethics and financial integrity of the Group;
   and
- To report Audit Committee proceedings back to the Board.

The Audit Committee has the authority to appoint outside legal or other professional advisors if it considers necessary. The Audit Committee on occasions meets with the internal auditors and external auditors without the management present.

3.2 In compliance with NZX Code Recommendation 3.2, employees only attend Committee meetings at the invitation of the Committee as is considered appropriate.

### 3.3 Remuneration and Appointments Committee

In compliance with NZX Code Recommendation 3.3, the Remuneration and Appointments Committee operates under a written Charter, and the majority of members are independent directors as the Committee is comprised of the full Board. In compliance with NZX Code Recommendation 4.2 the Charter is available on PGG Wrightson's website at www.pggwrightson.co.nz under Our Company > Governance. The Remuneration and Appointments Committee is chaired by Rodger Finlay. The Remuneration and Appointments Committee met twice during the financial year as part of a full Board meeting. Employees only attend Committee meetings at the invitation of the Committee as is considered appropriate.

The main responsibilities of the Remuneration and Appointments Committee are:

- To undertake an annual performance appraisal of the Chief Executive Officer and review the appraisal of direct reports to the Chief Executive Officer;
- To review compensation policy and procedures, including employee benefits and superannuation, and recommend to the Board remuneration changes for the Chief Executive Officer and direct reports to the Chief Executive Officer;
- To review succession planning and senior management development plans; and
- To report Committee proceedings back to the Board.

The role of the Remuneration and Appointments Committee as set out in its Charter will be expanded to include the function of recommending remuneration packages for Directors to shareholders in future when such a recommendation to shareholders is put forward.

- 3.4 In relation to NZX Code Recommendation 3.4, the Board does not have a nomination Committee to recommend director appointments to the Board as that is carried out by the whole Board.
- 3.5 In compliance with NZX Code Recommendation 3.5, the Board has considered but does not think it is currently necessary to have any other Board committees as standing Board committees. Other committees are formed as and when required.
- 3.6 In relation to NZX Code Recommendation 3.6, if and when necessary the Board will establish appropriate protocols that set out the procedure to be followed if there is a takeover offer for the issuer including any communication between insiders and the bidder. The protocols will disclose the scope of independent advisory reports to shareholders, the option of establishing an independent takeover committee, and the likely composition and implementation of an independent takeover committee. The Board does not consider it necessary to establish such protocols in advance as standing protocols but will do so if the need arises.

# **PRINCIPLE 4 - Reporting and Disclosure**

"The board should demand integrity in financial and non-financial reporting, and in the timeliness and balance of corporate disclosures."

- 4.1 The Board endorses the principle that it should demand integrity both in financial and non-financial reporting and in the provision by management of information of sufficient content, balance, quality and timeliness to enable the Board to effectively discharge its disclosure duties.
  - In compliance with NZX Code Recommendation 4.1, the Board has adopted a Continuous Disclosure Policy which is available on PGG Wrightson's website at www.pggwrightson.co.nz under Our Company > Governance. The Company will provide timely and adequate disclosure of information on matters of material impact to shareholders and comply with the continuous disclosure and other listing requirements of the NZX relating to shareholder reporting. PGG Wrightson has established and will maintain processes for the provision of information to the Board by management of sufficient content, quality and timeliness, as the Board considers necessary to enable the Board to effectively discharge its duties.
- 4.2 In compliance with NZX Code Recommendation 4.2, PGG Wrightson's Code of Conduct, Board and Committee Charters, Diversity Policy and other key governance policies are available to view on PGG Wrightson's website at www.pggwrightson.co.nz under Our Company > Governance.
- 4.3 In compliance with NZX Code Recommendation 4.3, PGG Wrightson considers that its financial reporting is balanced, clear and objective. The Board receives assurances from the Chief Executive Officer and Chief Financial Officer that the Directors' declaration provided in accordance with International Financial Reporting Standards (IFRS) and NZ IFRS is founded on a sound system of risk management and internal control, and that the system is operating effectively in all material respects in relation to financial reporting risks.
- 4.4 PGG Wrightson considers that its non-financial reporting is informative, contains forward-looking assessment, and aligns with key strategies and metrics monitored by the Board. Non-financial disclosure, including material environmental, economic and social sustainability factors and practices, risks and other key risks, risk management and relevant internal controls, is outlined in various sections of the 2021 Annual Report. The Company also communicates through the Interim and Annual Reports, releases to the NZX and media, and on its website at www.pggwrightson.co.nz.

### **PRINCIPLE 5 - Remuneration**

"The remuneration of directors and executives should be transparent, fair and reasonable."

5.1 The Board is committed to the policy that remuneration of Directors and Officers/Executives should be transparent, fair and reasonable. The Board's Remuneration Policy for Directors is that Directors' fees in aggregate must be formally approved by shareholders. In compliance with NZX Code Recommendation 5.1, the statutory disclosures section in the 2021 Annual Report lists the Company's Directors' actual remuneration including any Board Committee fees paid. There are no performance incentives for any Directors. The Board has not elected to create a performance-based Equity Security Compensation Plan. Further the Board supports Directors investing a

- portion of their Directors' remuneration in purchasing shares in the Company but it does not consider this should be mandatory.
- 5.2 The Board considers that it partially complies with NZX Code Recommendation 5.2, being that PGG Wrightson's policy for remuneration of Officers outlines the relative weightings of remuneration components and relevant performance criteria. Directors' remuneration does not have performance criteria attached to it. All executive officer remuneration incentives align with financial and non-financial performance measures relating to PGG Wrightson's objectives and are compatible with PGG Wrightson's risk management policies and systems.
- 5.3 In compliance with NZX Code Recommendation 5.3, the remuneration arrangements in place for the Chief Executive Officer during the year ended 30 June 2021 including disclosure of the base salary, short-term incentive and the performance criteria used to determine performance-based payments, are outlined on page 104 of the 2021 Annual Report.

# **PRINCIPLE 6 - Risk Management**

"Directors should have a sound understanding of the material risks faced by the issuer and how to manage them. The board should regularly verify that the issuer has appropriate processes that identify and manage potential and material risks"

- 6.1 In compliance with NZX Code Recommendation 6.1, PGG Wrightson has in place a risk management framework for its business to manage existing risks and to report the material risks facing the business and how these are being managed. The Board receives and reviews regular reports.
  - It is the responsibility of the Board to monitor the broader risk management processes in place to identify and manage potential and relevant risks. Directors have a sound understanding of the key risks faced by the business.

In discharging this obligation, the Board has:

- In conjunction with the Chief Executive Officer, Audit Committee, internal and external
  audit, set up and monitored rigorous processes for risk management and internal
  controls to ensure that management prudently and efficiently manage resources, and
  the identification of the nature and magnitude of the Company's material risks. PGG
  Wrightson has a comprehensive Risk Policy and Group Risk Management Framework;
- Considered the nature and extent of risks the Board is willing to take to achieve its strategic objectives. The Company is committed to the management of risk to achieve sustainability of service, employment and profits, and therefore takes on controlled amounts of risk when considered appropriate;
- In conjunction with the Chief Executive Officer and Audit Committee, reviewed the effectiveness and integrity of compliance and risk management systems within the business. The Board receives and reviews regular reports on the operation of the risk management framework that includes policies and internal control processes, as well as any developments in relation to key risks. Reports include oversight of the Company's Group risk register and highlight the main risks to the Company's performance and the steps being taken to manage these; and
- Established a separate management Risk and Compliance Committee that is responsible for the oversight of business risks and future risk strategy.

- The Board maintains insurance coverage with reputable insurers for relevant insurable risks and recently renewed its insurance policies in accordance with the policy approach determined by the Board.
- 6.2 In compliance with NZX Code Recommendation 6.2, PGG Wrightson has on page 10 of the 2021 Annual Report disclosed how it manages its health and safety risks and has reported on our health and safety risks, performance and management.

# **PRINCIPLE 7 - Independent Auditors**

"The board should ensure the quality and independence of the external audit process."

- 7.1 In compliance with NZX Code Recommendation 7.1, the Board has established a framework as set out below for the Company's relationship with its external auditors. This includes procedures:
  - a. for sustaining communication with the external auditors;
  - to ensure that the ability of the external auditors to carry out their statutory audit role is not impaired, or could reasonably be perceived to be impaired;
  - c. to address what, if any, services (whether by type or level) other than their statutory audit roles may be provided by the auditors; and
  - d. to provide for the monitoring and approval by the Audit Committee of any service provided by the external auditors other than in their statutory audit role.

The Board subscribes to the principle that it has a key function to ensure the quality and independence of the external audit process. The Board operates formal and transparent procedures for sustaining communication with PGG Wrightson's independent and internal auditors. The Board seeks to ensure that the ability, objectivity and independence of the auditors to carry out their statutory audit role is not compromised or impaired or could reasonably be perceived to be compromised or impaired. The auditors generally are invited to attend all Audit Committee meetings (except where auditor remuneration or performance is discussed). This attendance can include invitations for private sessions between the Audit Committee and the external auditor without management present. In addition, the lead audit partner of the external auditor is rotated at least every five years.

To ensure there is no conflict with other services that may be provided by the external auditors, the Company has adopted a policy whereby the external auditors will not provide any other services unless specifically approved by the Audit Committee.

The external auditors Ernst & Young were appointed on 13 April 2021 and did provide some non-audit work on a related but non-controlled entity in the year ended 30 June 2021. The remuneration paid by the Group for audit work is disclosed on page 53 of the 2021 Annual Report. The nature of the type of non-audit work is disclosed in the audit report. The remuneration paid by the Group for non-audit work was nil. The external auditors confirmed in their audit report on pages 89 to 92 of the Annual Report that those matters did not impair their independence as auditor of the Group.

- 7.2 In compliance with NZX Code Recommendation 7.2, the external auditor attends the Annual Meeting to answer questions from shareholders in relation to the audit.
- 7.3 In compliance with NZX Code Recommendation 7.3, PGG Wrightson's internal audit functions are disclosed here. The internal audit function sits within the Risk and Assurance team, which is comprised of a functional leader and supported by a Panel of co-source

partners. The internal audit function is responsible for carrying out internal audits in accordance with the internal audit plan approved annually by the Audit Committee. The function reviews and reports on the effectiveness of internal control systems and processes for the Company.

# **PRINCIPLE 8 - Shareholder Rights & Relations**

"The board should respect the rights of shareholders and foster constructive relationships with shareholders that encourage them to engage with the issuer."

- 8.1 While the Company does not have a formal shareholder or stakeholder relations policy, the Board actively fosters constructive relationships with its shareholders, as appropriate. The Board is at all times cognisant of the need to protect and act in the best interests of the Company's shareholders.
  - In compliance with NZX Code Recommendation 8.1, PGG Wrightson's website www.pggwrightson.co.nz has an Investors Section where investors and interested stakeholders can access financial and operational information and key corporate governance information. This contains key governance documents and policies, contact details for investor matters, current and past Annual Reports, notices of meetings and other key dates in the investor schedule, the constitution, media releases and NZX announcements, periodic financial information, dividend histories and other information. PGG Wrightson lists its Business Unit descriptions and key activities on its website, and its releases contain information on business goals and performance. The Company encourages shareholder participation at the Annual Meeting, by providing as an item of General Business, the conducting of a shareholder discussion, where a reasonable opportunity is given for shareholders to question, discuss or comment on the management of the Company.

- 8.3 In compliance with NZX Code Recommendation 8.3, shareholders have the right to vote on major decisions which may change the nature of the Company.
- 8.4 If PGG Wrightson was seeking additional equity capital in the future, it would consider the recommendation in NZX Code Recommendation 8.4 to offer further equity securities to existing equity security holders of the same class on a pro rata basis and no less favourable terms before further equity securities are offered to other investors.
- 8.5 In compliance with NZX Code Recommendation 8.5, the shareholders' Notice of Annual Meeting is posted on the website as soon as possible and at least 20 working days prior to the meeting.

### **PRINCIPLE 9 - Annual Review**

9.1 A review of this Corporate Governance Code and associated processes and procedures is completed on an annual basis to ensure the Company adheres to best practice governance principles (as promulgated by the relevant authoritative bodies) and maintains high ethical standards.
