Commentary,

Apart from a very good line of fleece wool from the central Hawkes Bay area, the sale was a battle today. Any wools showing colour were heavily discounted and the small offering of new seasons lambs wool also fell slightly in price compared to the last Napier wool sale. With shearing held up due to the current weater conditions we are expecting January to be an extremely busy month. The team at PGGW wool would like to thank you for your business over this challenging year, we hope you enjoy a great Christmas and fun New Year. The Napier wool store will be open between the Christmas break to receive wool.

Kind regards,
Steve Fussell
