 Movement compared with sale: **13/01/2022**
 NZD/USD exchange rate: **0.6649**
 Passed In: **12%**
 Sth Island Strong Wool Indicator: **↑ 4c**

Commentary

The market today saw prices favour sellers especially for the better styles as the NZ dollar continues to lose ground against the greenback.

Restrictive volumes coming forward into woolstores also benefited growers today.

Crossbred Lamb's wool received active bidding with the finer sub 30 microns being most sought after.
