 N/A = Not Available

Commentary,

The market in Napier this morning appeared to be in "good spirits" with strong and widespread bidding between the exporters. Most wool types were up in value and the passing rate was again minimal. Some very good styled lambs wool found its way into the offering and sold to extremely good competition along with a line of corriedale lambs wool of very fine micron which achieved a large premium.

Kind regards,
Steve Fussell
 NI Auctioneer.

The next North Island sale is: **10/03/2022**
