Xbd Oddments		
	↑ 2%	\$1.66

NC = No Change
 N/A = Not Available

Commentary,

The market in Napier did trend upwards this morning, but at the bottom end of the market. While better coloured types sold "in sellers favour" the real movement today was for the poorer coloured fleece wools and Lambs wools which rose up to 15 cents in some cases from previous offerings. This comes as some relief after battling with the poorer wool types we have seen this year due to the weather and growing conditions.

Kind regards,
Steve Fussell
 NI Auctioneer.

The next North Island sale is: **24/02/2022**
