N/A = Not Available

Although the indicator was slightly back in value this morning the mood of the market can still be described as positive. A small amount of very good styled wool was slightly cheaper today but what really saw a good pick up was the B and B minus styled longer wools that were presented. The sale of the wool was again very well spread amongst the buyers with bidding coming fast and hard and a degree of urgency was felt in the room.

Regards, Steve Fussell, North Island Auctioneer
