It was an extremely pleasing morning as the PGG Wrightson catalogue sold to very strong bidding. The market was strong across all wool types offered and bidding fell 2 cents short of \$3.00 greasy for one lot we marketed today.

There seems to have been a good amount of business done overseas of late and this is showing in the rise in value over the past few sales as exporters look at covering wool they have sold.

Regards, Steve Fussell, North Island Auctioneer
