Merino Fleece (20 mic)	↓	\$13.85

**NC = No Change**  
**N/A = Not Available**

The crossbred market continues to improve, breaking fresh ground mainly as a result of new business written out of the sub-continent.  
 The mid-micron market is struggling to find favour with buyers, who are showing an absence to support for these types.

The merino's continue to lose ground reflecting the lower demand coming out of China.
