The overall tone from the wool sale in Napier this morning was noticeably softer. Very good styled wools still had good interest, but the average type wools saw some gaps starting to appear. It was pleasing to see however, the early main line ewe fleece wools coming forward looking good and testing out well after a challenging winter. Shearing is well underway in Northland but is continuing to be a battle to get any consistency of days on the East coast.

Regards, Steve Fussell, North Island Auctioneer
