Crossbred Oddments		
	↑ 6%	\$2.52

NC = No Change  
N/A = Not Available

Strong tone, strong demand and a bit of frustration were all components of the wool sale in Napier this morning. The frustration came from some buyers who were missing out on a very limited amount of wool that was presented today. The demand and the tone has helped the market indicator rise to another good level and oddments continued their meteoric rise to prices not seen for a very long time.

**Regards, Steve Fussell, North Island Procurement and Sales Manager**
