50-75mm Length - AVERAGE STYLE	↑ 6%	\$3.90

NC = No Change

N/A = Not Available

Demand continues to outstrip supply for most wool types, with good colour and low VM levels for Lamb's wool and 2nd shear fleece being greatest movers. With very little carry over from recent sales, buyers are having to secure as much volume to fill outstanding commitments. The lower NZ dollar is also assisting wool exporters to further underpin higher values.
