50-75mm Length - GOOD STYLE	↓ 4%	\$3.82
50-75mm Length - AVERAGE STYLE	↓ 2%	\$3.75

NC = No Change

N/A = Not Available

After a series of lifts and general consolidation in the Xbd market season to date, the market today saw a general correction for most Xbd fleece and Lamb's wool types. The larger than expected volume of 10,600 bales was always going to be challenging to hold the market at pre-sale levels. A small offering of merino wool marking the end of the fine wool season saw prices exceed growers' expectations.
