The North Island sale has rebounded this week to similar levels of four weeks ago. Although there was a good amount of wool offered again today the market reacted positively and the tone in the sale room was extremely good. Special mention today must go to one line of second shear wool from Hawke’s Bay, and two lines of similar type from Central Hawke’s Bay that sold well over the three dollar greasy mark and were a credit to the vendor and wool handlers who were involved.

Regards, Steve Fussell, North Island Procurement and Sales Manager
