50-75mm Length AVERAGE STYLE	↓ 2%		\$3.83

Crossbred Oddments	↓ 6%	\$2.92
NC = No Change		
N/A = Not Available		

A real correction to the market was the final analysis from today's North Island wool sale. The general mood in the auction room seemed flat and there was a real push back in demand for the poorer wool types. Lambs have taken a big hit and oddments have followed suit. The positive side of the market today was again set around very good second shear wool that achieved similar levels to the last Napier offering.

Regards, Steve Fussell, North Island Procurement and Sales Manager
