c/kg (greasy net weight)

Terms and Conditions

- The EzyWool Agreement (Agreement) is subject to PGG Wrightson Ltd trading as PGG Wrightson Wool's (PGW) Agency Terms (Agency Terms) and the definitions contained within. The Agreement sets out additional terms agreed between you and PGW, if there is any inconsistency between this Agreement and the Agency Terms, the Agency Terms will have priority. These Agency Terms can be found online at www.pggwrightson.co.nz/our-services/wool/wool-growers
 - The Agreement is valid for a period of up to 12 months, with the start date being the later of; 1 July 2025 or the date this Agreement is executed, and the expiry date is 30 June 2026. A new agreement will need to be entered into for future season's wool.
 - You agree to supply PGW as your agent for sale on your behalf 100% of all wool harvested on your farm(s) for the period of this Agreement. The default method of sale for the wool will be auction. If, at the time of receiving the wool, there is a suitable contract or private treaty offer available this may be offered to you.
 - The Wool Handling Fee (Fee) is an all-inclusive fee which covers PGW's standard brokerage fees (including binning, interlotting, and small lot fees) and is charged on a cents per greasy kilogram basis. The Fee will be charged regardless of sale method. The Fee does not include the cost of repacking wool if bales are outside weight limits or packs are damaged, or storage of wool. It also excludes third party costs such as wool testing, any current or future government levies, taxes, or other duties. Freight costs are excluded unless it is agreed otherwise in this Agreement.
 - If agreed in this Agreement, the cost of Freight from the Shed Location to PGW will be covered by PGW. PGW will arrange the freight using a carrier of its choice and you will ensure access to the wool is made available.
 - Payment terms will be as per the applicable terms and conditions based on the method of sale.
 - Each bale of wool supplied needs to meet a minimum of 150 greasy kg and be no more than 200 greasy kg. If the bale is outside this weight range the bale will incur a charge of \$10.00 + GST to cover the repacking and extra handling costs, plus a pack cost if required.
 - You acknowledge that you have made a fair assessment of the Expected Annual Bales disclosed in this Agreement. The Expected Annual Bales is used to value the following benefits you will receive. If the difference between the Actual Bales provided to PGW and Expected Annual Bales is greater than 15% less, a charge of \$18.50 plus GST per bale difference will be charged to your PGW account to recompense PGW for the EzyWool Benefits provided.
 - To be Eligible for the EzyWool benefits you need to have an active PGW Retail Account and not have any overdue amounts or credit concerns.
- EzyWool Benefits:**
- PGW will provide you with one synthetic wool pack per Expected Annual Bales. The wool pack(s) must be collected from your local PGW Rural Supplies Store during the period of this Agreement.
 - PGW will provide you with a PGW Rural Supplies Gift Card (Gift Card) based on the amount of Expected Annual Bales. The use of the Gift Card is intended for purchases of Animal Health products (e.g. drenches, vaccines, dip). The Gift Card is subject to PGW's standard terms and conditions: www.pggwrightson.co.nz/our-company/terms-and-conditions.
