Hbd Fleece (25 Mic)	NC \$9.50
Hbd Fleece (30 Mic)	↑ 7% \$5.35

The fine wool market has continued the upwards momentum as set from the start of the season and capitalising on the strong demand driven market from across the Tasman as well. The mid-micron market continues to show active demand and finishing in seller's favour. The Xbd wools saw active competition for stylish and well prepared lots breaking well through the 400c/kg clean barrier. **Dave Burridge, South Island Auction Manager**
