Crossbred Oddments	
	↑ 4% \$3.18

NC = No Change  
 N/A = Not Available

The North Island wool market strengthened further at today’s auction, with the Market Indicator having another noticeable lift from the previous Napier sale. All wool types 75mm to 125mm and longer continued to strengthen. Shears, 75mm to 100mm and finer than 37 microns strengthened considerably whereas the coarser shears only saw a modest price increase. It seems very clear that the main demand is coming from China.

**Regards, Annabel Busby, Appraisal and Procurement Coordinator**
