Hbd Fleece (25 Mic)		N/A
Hbd Fleece (30 Mic)	↑ 2%	\$7.35

The wool market continues to show strength and confidence from recent elevated sales. Even with the NZ dollar spiking upwards this week against the green back, wool exporters have continued to under write further sale volumes into China. Most notable was the interest for Lamb's wool and the average to poorer coloured wools. A nominal offering of mid-micron types also attracted active interest. **Dave Burrige, South Island Auction Manager**
