50-75mm Length - GOOD STYLE	↑	1%	\$5.20					
50-75mm Length AVERAGE STYLE	↑	4%	\$5.16					

The North Island wool market continued its upward momentum today. Spirited bidding from all exporters was evident across all wool types as they competed to secure wool for prompt delivery. The limited availability of good colour wools is becoming noticeably apparent. A key feature of today’s sale was the strong demand for good-colour fleece wool and all lambs’ wool, particularly those lines with minimal vegetable matter.

Regards, Annabel Busby, Appraisal and Procurement Coordinator
