

TANGIHAU ULTIMATE T549

Stud & Commercial Semen Available

Purchased by Kaharau and Turiroa studs in 2024 for the then record price of \$135,000, Ultimate is shaping up to be a hugely influential sire as his progeny come to the fore.

To date, they possess their sire's type and temperament alongside his injection of balanced performance and structural integrity. He has been used over a variety of cows both in New Zealand and Australia, adding quality backed by a proven pedigree.

Ultimate has developed into an impressive four-year-old, displaying the dimension and constitution that provides an exciting impression. This bull ticks a lot of boxes for the modern cattleman, and we invite you to see for yourself.
