NC = No Change N/A = Not Available			Hbd Fleece (30 Mic)		N/A

“ The strong-wool market was largely unchanged to slightly in sellers’ favour on a limited offering. Restrained demand at current price levels was offset by the reduced national sheep flock and lower volume of wool available for market. Fine-wool values eased, reflecting softer Australian sales over the past two weeks. With the fine-wool season nearing its end, remaining offerings are now predominantly hogget wool. **Dave Burridge, National Auction Manager**
